

Customer Notice

On Monday evening, the Prime Minister announced a nationwide lockdown to slow the spread of COVID-19 and to protect our NHS. This is a clear 'stay at home' message confirming that people will only be allowed to leave their home for limited purposes.

Therefore, to protect the wellbeing of our staff and customers, we have taken the decision to temporarily close with immediate effect until the Prime Minister advises us it is safe to return.

This means that even though we are currently unable to deliver goods, we can still quote and designs your dream new bathroom or kitchen as our designers are able to do this from home, please e-mail us at:

As the situation changes, we will provide further updates.

Please keep yourself and your family safe at this time as we work together to beat the pandemic.

We thank you for your continued support during these unprecedented times.

Kind regards,
Stephen Lyons
