

OPEN 1ST JUNE

AQS Bathrooms are pleased to announce that our showroom we will open for business on Monday 1st June at 10.30 am.

Following advice from the kitchen and bathroom showroom association as well as legislation we have put strict COVID-19 countermeasures in place.

The health and safety of our customers and staff is very important to us and we have taken a great deal of time and thought to alter the showroom to make sure that social distancing can be enforced at all times, these measures can be seen on our latest Facebook post from the website.

We advise that the showroom is by appointment only at present and to include a maximum of two members of the same household in the group. We would also not advise to bring young children If this is possible at this current time

If you would prefer not to visit the showroom, we can design your bathroom remotely and send images, drawings and quotes by email.

You can purchase a supply only bathroom on our website with upto 40% discount and you can enjoy free delivery anywhere in the U.K. or collect from our showroom / warehouse

Thank you to all our customers for your continued support
